What is the Niagara Leadership Summit for Women?

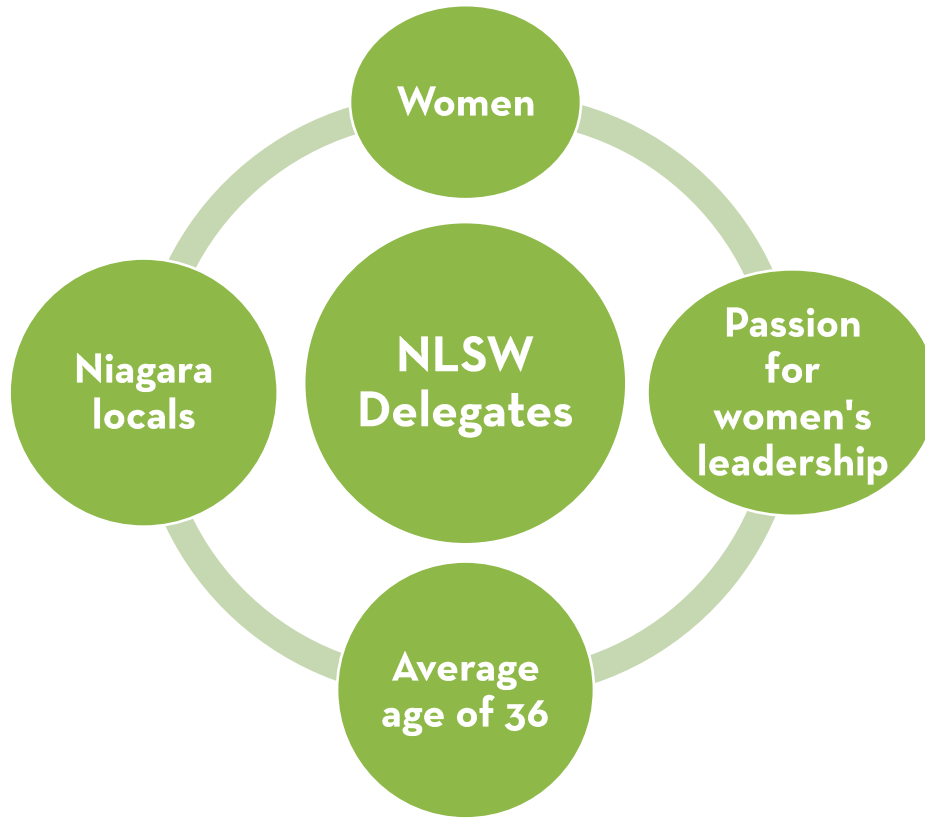

The Niagara Leadership Summit for Women (NLSW) is a volunteer-driven initiative of the YWCA Niagara Region. The Summit is a unique, inspirational day for women, girls, allies and diverse local leaders to learn together, to network, grow and redefine leadership to be inclusive of women and girls and diverse experiences. The Summit is a positive, celebratory event that showcases local leadership and inspires new possibility models. The Summit is not a fundraising event - all costs are recovered through sponsorship and registration fees.

Date and Location

Virtual workshops, panel discussions, & keynote speakers all from the comfort of your own home! We are transforming all of your favourite pieces of the Niagara Leadership Summit for Women and putting them into a virtual event! It will be multiple days and times throughout the month of October. We will be in touch soon with our whole plan but for now, SAVE THE MONTH!

Attendees

NLSW attracts a diverse range of mostly female-identified delegates. For a number of years we have been selling out of tickets with over 300 attendees. This year as the summit will be virtual we are sticking with our goal of 300 attendees and hope this will set us up for larger success next year.
